Bulletin

The Victorian Barefoot Waterski Club

invite you to be part of the 60th National Barefoot Waterski Championships, together with the Mulwala Waterski Club and Federation Council NSW.

COVID-19

Not to be out shadowed by the effects that the Covid 19 pandemic has across our great country, we are excited enter into the coming weeks of organization for the 2022 National Barefooting Championships. And while we will be carefully monitoring restrictions and regulations State by State, we hope the event will be one that can lure the pioneers of our sport back to Mulwala to celebrate 60 wonderful years of barefooting and its progression.

60th Anniversary Reunion

This year we will be celebrating the 60th Year Anniversary of the first Barefoot Championships held in Australia. The sport has evolved so much from its pioneer days, with skill and athleticism still at its height. We are excited that we will be calling on all pioneers of the sport, including officials, athletes and all with a love of barefooting to attend this Nationals event, including a Reunion Dinner Function on Friday night. So spread the word around the States and help bring these amazing people back together once again.
